## Agenda:

- I. Reflections and steps from December meeting
  - A. CFA recommendations for strategic planning
    1. Before embarking on strategic planning, the sustainability plan answers from council members made it clear that we need to be more clear about what our impact has been thus far.
      - a) We are recommending providing the Council with a brief Impact Report
        - (1) First - Desired Edits from Committee?
    2. Provide this draft at the full council's February meeting
      - a) Let Becky explain the Ripple Effect Mapping and introduce the questions
    3. Allow the answers to these questions feed into strategic planning process
      - a) Potential consultant options
        - (1) Committee desire staff to obtain some other quotes?
      - b) Necessity and parameters of a funding request?
        - (1) If over \$30K, we will need to release an RFP
